Physical Science is a 3-year program that teaches students this course trains students about theory as well as practical aspects of Physical Sciences that help in making a candidate's career as a scientist or even a chemist. Candidates must graduate in 10+2 with a minimum aggregate of 50% in Science (physics, chemistry, biology and mathematics). The fees for this course range from 9,000 INR to 20,000 INR for government institutions while the fees range in private institutions is INR 30,000 to 50,000.B.Sc. Physical Sciences can open doors to various fields of employment for students such as astronomy, agricultural research services, aviation industry, technical services, technical services, Indian Civil Service, criticism One can find jobs at top companies like TATA Chemicals Ltd., godrej agro vet, Bayer, Syngenta, Monsanto and can expect an annual starting salary of 1 lakh to 4 lakh. What B.Sc. Physical Science About?B.Sc. Physical Science aims to teach the nature and attributes of different branches of natural sciences and about things that do not live. This course is about concepts and Earth Science, Physics, Chemistry and Environmental Sciences.What skills are required? /Who should choose B.Sc. Physical Sciences? Candidates interested in learning about energy properties and non-living ingredients should go for this course. This course aims to provide a general basis and an understanding of the science by which any applicant should be a good mathematician and must have the ability to solve problems and reasoning capabilities. Top Colleges for Bachelor of Science [B.Sc] (Physical Sciences)In India, there are several colleges offering B.Sc. Physical Sciences as a full-time course of 3 years divided as 6 semesters. Some of these colleges are Ramjas College, New Delhi, Hansraj College, New Delhi, Miranda House College, New Delhi, Osmania University College for Women, Hyderabad and St Ann's College for Women, Hyderabad.Academic Choices after B.Sc. Physical Sciences they say there is no limit to studying, M.Sc so, when students are done with a B.Sc. And to support this, there are many institutes that offer M.Sc. Top Institutes Offering B.Sc. Physical ScienceMore of 2000 college offers B.Sc. programs in India and so on, students have the option of choosing college accordingly. Some of the top institutes that offer B.Sc. in Physical Science are listed below:Name of the Institute.LocationRamjas CollegeNew DelhiHansraj CollegeNew DelhiMiranda House CollegeNew DelhiGargi CollegeNew DelhiHindu CollegeNew DelhiAcharya Narendra Dev CollegeNew DelhiOsmania University College for WomenHyderabadSt Ann's College for WomenHyderabad6.03 K (Minimum Fee)PUBLIC COLLEGES1.53 L (Maximum Fee)46.56 K (Average Fee)13.3 K (Minimum Fee)PRIVATE COLLEGES1.91 L (Maximum Fee)1.01 L (Average Fee)19.27 KPUBLIC COLLEGES1.29 L44.95 K55.71 KPRIVATE COLLEGES1.45 L1 L22.92 KPUBLIC COLLEGES43.8 K33.36 K13.3 KPRIVATE COLLEGES13.3 K13.3 KIn B.Sc. Physical Science, admissions are done through both entrance test and merit basis modes. There are several colleges such as Zakir Husain College, New Delhi, Hindu College, New Delhi, Ramjas College, New Delhi offering entry to candidates on merit by providing cut-offs for students. Different cuts are provided by the college for Physical Science with chemical or computer science options. Cut-offs are provided by restructuring the university. While some other colleges such as St Stephen's College, New Delhi conducted their own 30-minute college level Aptitude tests and interviews afterwards, for taking students to their respective courses. Selection is then done with the following composite merits:10+2Aptitud TestInterview85%5%10%Study Bachelor's Physics Courses from Overseas College of Physics
